Dear Paralegal:

On behalf of the Alabama Association of Paralegals, Inc. (“AAPi”), I’d like to extend a personal invitation to you to become a member of our growing and vibrant professional organization.

I am the Region 3 Director. Region 3 encompasses the following counties in Alabama: Baldwin, Choctaw, Clarke, Conecuh, Escambia, Mobile, Monroe, Washington, and Wilcox.

As a working paralegal, you understand the value of staying connected, informed, and ahead of industry standards. AAPi was created to support professionals like you—those committed to excellence, ethics, and ongoing professional development. We are proud to serve as Alabama’s unified voice for the paralegal profession, and as an affiliate of NALA–The Paralegal Association, our members gain access to both state and national resources.

When you join AAPi, you'll benefit from:

- Statewide networking with paralegals and legal professionals.
- Continuing Legal Education (CLE) opportunities via seminars, webinars, and workshops.
- Job board access and exclusive career development tools.
- Annual events, including our state convention and professional meetups and local region events.
- Legal trend updates and resources tailored to Alabama paralegals.
- A platform to contribute to the profession’s growth and recognition within the legal community.
- Tuition discounts to Faulkner University for yourself and two (2) additional individuals.
- Mentorship opportunities.

Whether you're early in your legal career or a seasoned professional, AAPi provides a supportive, forward-thinking community designed for paralegals by paralegals.

Enclosed with this letter, you will find an invitation to the Membership Drive on April 14, 2026. We would be honored to welcome you into our organization and support your continued success in the legal field.

Should you have any questions or wish to speak further about the benefits of joining AAPi, please feel free to reach out to me directly. I would be happy to connect.

Sincerely,

Tracie Ford

Tracie Ford, Region 3 Director (based in Mobile)
